

Certificate of Analysis-COA

Product :	Bilirubin CAS 635-65-4	Batch No :	SC20201001
Date of Manufacture :	2020.10.01	Quantity :	1,0kg
Items	Requirements		Results
Appearance	Orange to reddish brown crystalline powder		Complies
Identify	The absorption curve should be consistent with the control picture of bilirubin, with the maximum absorption of 453nm		Complies
	Spots of the same color appear in the corresponding position of the reference		Complies
Dry weight loss	≤2.0%		0.5%
Bilirubin purity	≥96%		99.0%
Conclusion :	Conforms to the requirement.
