

## Certificate of Analysis-COA

|                               |                                                      |            |            |
|-------------------------------|------------------------------------------------------|------------|------------|
| Product :                     | Sodium hexafluorophosphate<br>CAS 21324-39-0         | Batch No : | SC20201002 |
| Date of Manufacture :         | 2020.10.02                                           | Quantity : | 10kg       |
| Items                         | Requirements                                         | Results    |            |
| Appearance                    | White crystalline powder, easy to dissolves in water | Conforms   |            |
| Assay                         | ≥99.0%                                               | 99.2%      |            |
| Moisture                      | ≤0.5%                                                | 0.35%      |            |
| SO <sub>4</sub> <sup>2-</sup> | ≤0.05%                                               | 0.42%      |            |
| Free F <sup>-</sup>           | ≤0.4%                                                | 0.2%       |            |
| SiO <sub>2</sub>              | ≤0.05%                                               | 0.04%      |            |
| Heavy metal                   | ≤0.05%                                               | 0.03%      |            |
| Conclusion :                  | Conforms to the requirement.                         |            |            |
